Create a "Prayer Plan."

Choose one time this week when you will stop and pray: morning, bedtime, car on the way to extra curricular, etc.

What time is your prayer time for each day this week?

Fill in the clock time and pray each day at that time!

No matter how busy life gets,
prayer is important.

HEALINGS IN GALILEE

Mark 1 & Luke 4-5

Big Picture Question: Why did Jesus perform miracles? *Jesus performed miracles to glorify God, to show He is the Son of God, and to care for people.*

Main Point: Jesus showed His care for people by healing them.

Day 1: READ & DISCUSS → Mark 1:35-37

READ & PRAY → Jesus woke up very early in the morning and went to a quiet place to pray. Even though many people wanted to see Him, Jesus knew He needed time with His Father.

Where is a quiet place that you can go to and pray?

Sit in your quiet place for 2 minutes (set a timer). Sit quietly and talk to God about your day. Remember, Jesus made time to pray, and we can too!

PRAY → *Jesus, help me make time to talk with You every day. Amen.*

HEALINGS IN GALILEE

Day 2: READ → Luke 4:42-44

READ & SHARE → The people wanted Jesus to stay with them, but Jesus said He needed to go to other towns too. Jesus came to tell everyone the good news about God's kingdom.

What is one thing you love about Jesus?

Tell one person today something you love about Jesus. Jesus loves ALL people and wants everyone to hear about Him.

PRAY → *Jesus, help me share Your love with others. Amen.*

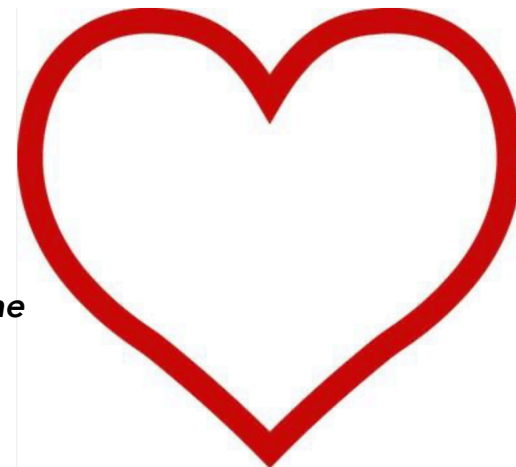

Day 3: READ → Mark 1:40-42

READ & WRITE → A man with leprosy came to Jesus and begged for healing. Jesus felt compassion for him, touched him, and healed him right away.

How do you think the man felt when Jesus helped him?

Inside the heart below, write or draw ways you can show kindness to someone who feels lonely, sad, or sick.

PRAY → *Jesus, You care deeply about people who are hurting. Help me care about others the way You do. Amen.*

**How great are his signs,
how mighty his wonders! His
kingdom is an eternal kingdom;
his dominion endures from
generation to generation.**
