SOLOMON THOUGHT ABOUT LIFE

STORY POINT:

Solomon taught that God gives life meaning.

CHRIST CONNECTION:

Nothing we get in this world lasts forever. Only trusting in Jesus really matters. Jesus came to rescue sinners so we can have life with God forever.

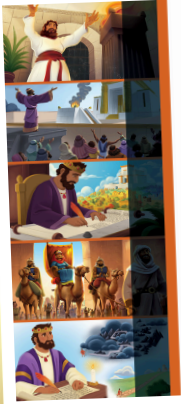

Read: Ecclesiastes I

Bible Story Recap:

- Solomon was the richest and wisest man in the world. He was famous and powerful. King Solomon learned an important lesson, and he wrote a book about it.
- This is how the book starts: "The Teacher says, 'Everything is kind of pointless.' People are born, people die, and the world keeps going around. The sun goes up and down. The wind blows.
- "Rivers flow into the sea, but the sea never gets too full. What you do today, you'll have to do again tomorrow. And many years from now, people won't even remember you."
- Solomon said that the most important thing is to know God and follow Him.

**What does
God know?**
God knows everything.

Make it Fun:

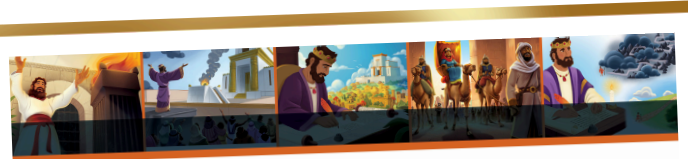

On a big sheet of paper, ask family members to draw pictures or write about things that make them happy for a little while (like toys, games, or snacks). Then, on the other side, draw things that last forever and make God happy (like showing kindness, loving others, and praying). Hang the sheet up in your kitchen or living room to remind your family that what we do for God is what really matters!

Big Question & Answer

Serve:

Work with church leadership to research the history of your church. Discover who the founding leaders and members were who faithfully worshiped God together when your church first began meeting. If these founding leaders and members are still living, write them notes of thanks for their faithfulness to the Lord's church. Pray together as a family, thanking God for your church and for the new churches that are meeting around the world.

**Do not be wise in your own
eyes; fear the LORD and
shun evil.**
