JESUS' SECOND MIRACLE

STORY POINT:

Jesus healed an official's son.

CHRIST CONNECTION:

The official believed in Jesus after He saved the man's son from death. Jesus came to save people from sin and give them life with God forever.

Read: John 4

Bible Story Recap:

- Jesus was in Cana when one of the king's officials came to him. The man begged Jesus to go to his house and heal his son, who was about to die.
- Jesus said, "Your son will live." The man believed Jesus' words and went home.
- On the way, the man's servants met him. "Your son is better!" they said.
- The man realized that his son got better at the exact time Jesus said, "Your son will live." So, the man and all the people in his house believed in Jesus.

Why did Jesus perform miracles?
 Jesus performed miracles to show He is the Son of God.

Make it Fun:

Write down short instructions on slips of paper, such as do 5 jumping jacks, run to the kitchen and back, or clap your hands 10 times. Place the slips of paper across the room.

One family member is the "messenger" who will run to grab a slip, race back, and read the instructions out loud. Everyone else must do what the slip says—trusting the words without questioning. Keep going until all the slips are used. After the game, talk about how the royal official in John 4 trusted Jesus' words and His power.

Big Question & Answer

Serve:

As a family, make a list of relatives or friends who live out of town and decide who will call or video chat each person. During the call, share what your family is learning from John 4. Talk about how Jesus' words are powerful and true. Tell them about a specific promise from God's Word that encourages you. Finish the call by asking how your family can pray for them. Remind kids that God's words can bring encouragement and hope, even across long distances.

How great are his signs, how mighty his wonders! His kingdom is an eternal kingdom.
