HEALINGS IN GALILEE

STORY POINT:

Jesus showed His care for people.

CHRIST CONNECTION:

Jesus showed His care for people by healing the man with the skin disease. Jesus shows His care for us by offering forgiveness for sin if we repent and believe in Him.

Read: Mark 1; Luke 4-5

Bible Story Recap:

- A man had a serious skin disease that made his life very hard. He had to live alone, far away from other people. When this man saw Jesus, he begged Jesus to heal him and take away his disease.
- The man said, "If you are willing, Lord, You can make me clean."
- Jesus was willing! "Be made clean," He said. The man's disease was all gone. He was healed!
- The man was so happy. He told anyone who would listen that Jesus had taken away his disease. Then lots of people came to Jesus. They wanted to learn from Him and be healed, too.

Why did Jesus perform miracles?

Jesus performed miracles to show He is the Son of God.

Big Question & Answer

Serve:

Choose a park, playground, or walking trail in your community that needs a little care. Work as a family to pick up trash, sticks, and leaves. Pray that people who visit the park feel joy and peace because of the clean, cared-for space. Ask God to help you notice and care for people who feel unclean or overlooked, just like Jesus did.

Make it Fun:

Use a washable marker to make a spot on a light-colored washcloth. Let each family member try wiping it off with just their hand or a dry paper towel. It smears but doesn't go away. Then, dip the stained cloth in a bowl of soapy water and watch as the stain comes clean. Remind kids that similar to how the man with leprosy couldn't heal himself, we can't fix our problem of sin. Only Jesus can wash us clean. He does for us what we can't do for ourselves. Jesus makes us new.

how mighty his wonders!
His kingdom is an
eternal kingdom.**
